ABOUT AUSSIE ATHS

Aussie Aths is a health and fitness program for Aussie kids based on athletics. It is about learning to go faster, higher, further in a fun environment that Aussie kids of all abilities will enjoy.

Aussie Aths develops the ABC's – agility, balance, coordination and speed – of every child in a fun, game-based program. It's not standing in line or lining up for the long jump. Think of it like swimming lessons, but for running.
